KING STREET WEST
RESTAURANT | BAR

EXQUISITE BRITISH & FRENCH CUISINE

No matter what the occasion, our team are on hand to ensure your event is one to remember.

I organised our department Christmas lunch at 47 King Street West and I was so pleased I did. This is the first time I have dined there and the service, atmosphere and most importantly the food were all excellent I could not fault any of it. The staff were attentive, all our courses arrived at the same time and were of a very high standard which is something that can't always be said for restaurants during the busy Christmas period. I would highly recommend 47 KSW and I will most definitely be heading back there in the future, in fact I can't wait until I go there again!!!
